

## RECYCLE ETNA DORADO **ESPRESSO MEDIUM**

## **RECYCLABILITY ETNA MACHINES**

During the design phase, ETNA already considers the recyclability of its machines. Thus, efforts are made to inextricably connect as few different materials as possible. This policy has resulted in our machines achieving a very high recyclability rate.

Recyclability DES121BBAH

Material category

Plastic

Metal other

SS Metal

Other materials

Partly recyclable

Not recyclable

PCB: assumption that 50% by weight can be recycled.
